European Mobility Week runs from September 16th to 22nd 2007.

Cardiff Council is encouraging its employees and the students and employees of its CarShare2Cardiff organisations to designate one personal car free day that week.

Help us to improve the quality of life for all and cut congestion in our beautiful City.

See how you can easily make the choice by finding the right information to help you....

Information about alternatives and your options for making a contribution to reducing congestion and pollution through opting to walk, cycle, travel by bus or train and through car sharing can be found below:

Traveline Cymru - offers a one-stop shop for bus, coach and rail journey planning and timetable information, visit : www.traveline-cymru.org.uk, or contact 0871 200 22 33 for information.

Car Sharing - Cardiff Council provide a journey share database for member organisations. This enables individuals to match up with others to travel to work together rather than separately, either by car, walking, cycling, bus, train or taxi.

For more information visit www.Carshare2Cardiff.com,
or e-mail carshareenquiries@cardiff.gov.uk.

Sewta also offers a car share database for public use available at.
www.sewtacarshare.com

Travel Planning - Cardiff Council actively encourages organisations to produce Travel Plans - a package of measures designed to widen travel options for staff and to promote greener, cleaner travel choices.

For more information visit www.cardiff.gov.uk/travelplans, or
e-mail: travelplans@cardiff.gov.uk.

Personalised Travel Plans - Modus is a free of charge journey planning service provided by Traveline Cymru to organisations. Working on postcode information, Modus can provide an individual with a personalised travel plan telling them how to travel from their front door to their destination and back using public transport.

For further information e-mail: modus@pticymru.com, or tel: 029 2034 4593.

Cycling - for information on cycling in Cardiff, please visit
www.cardiff.gov.uk/cycling,
or contact the Council's Cycling Officer on 029 2087 3351.
